

Charles Adams Studio Project (CASP)

2017 – 2018 Metals Studio & Foundry Fellowship Description

Job Title: CH Foundation Metals Studio & Foundry Fellow at CASP

Description: The Fellowship is available to graduate, undergraduate, and post graduate students as well as those with relevant experience.

Tasks & Responsibilities:

- General Studio/shop oversight and maintenance.
- Designing and building enhancements to the Foundry and Metals Studio.
- Develop and execute programming for the public.
- Assist students and professional artists as needed.
- Depending on experience, there is the potential to teach or assist with teaching classes.

Supervisor: CASP Director Chad Plunket

Applicants should have the following qualifications:

- Ability to perform general Studio and Foundry responsibilities and duties.
- Experience/area of focus in the arts sector is preferred, but not imperative.
- Ability to work effectively and build relationships with others.
- Ability to lift 50 lbs.
- Ability to work with a diverse population comprised of students, artists, and the general public.

Experience desired:

- We encourage undergraduate/graduate/post-graduate students and individuals that are engaged in the field of studio art to apply. Applicants with other areas of focus will be considered.

Application Checklist

- Application (including attached personal response questions)
- C.V. or Resume
- Up to 10 images of completed foundry/casting/metalwork /woodworking projects
