

Charles Adams Studio Project (CASP)

2021 Metals Studio & Foundry Fellowship Description

Job Title: The CH Foundation Metals Studio & Foundry Fellow at CASP

Description: The Fellowship is available to graduate, undergraduate, and post graduate students, as well as those with relevant experience. Fellowships are paid and part time with flexible schedules to work around other educational obligations. There are spring, summer and fall positions available.

Tasks & Responsibilities:

- General Studio/shop oversight and maintenance.
- Designing and building enhancements to the Foundry and Metals Studio.
- Develop and execute programming for the public.
- Assist students and professional artists as needed.
- Teach or assist with classes.

Supervisor: CASP Director, Chad Plunket

Applicants should have the following qualifications:

- Ability to perform general Studio and Foundry responsibilities and duties.
- Experience/area of focus in metal fabrication.
- Ability to work effectively and build relationships with others.
- Availability to work Saturdays preferred.
- Ability to lift 50 lbs.
- Ability to work with a diverse population comprised of students, artists, and the general public.

Experience desired:

- We encourage undergraduate/graduate/post-graduate students and individuals that are engaged in the field of studio art to apply.
