5&J GALLERY EXHIBITION TERMS AND CONDITIONS

Our goal is to provide a professional, flexible, clean, and well-lit space for artists to exhibit. In order to help sustain the space, CASP also offers 5&J as a venue for private events as well as art exhibitions. We work with each party involved to allow both kinds of events to thrive in the same space simultaneously. Specific questions and concerns are addressed on a case-by-case basis.

CASP does not censor artwork. CASP does reserve the right to do a walk-through of the exhibition prior to opening and determine whether a “mature content” sign should be placed at the gallery’s entrances. CASP has the sign and will put it up if necessary.

Sale of Artworks

CASP does not take a percentage on art sales. Artists are responsible for collecting sales tax on any sales. Please see www.window.state.tx.us/taxinfo/sales for more information.

Access to Gallery

At the agreed upon installation/set-up date, the artist/event organizer will be given a key with access to 5&J Gallery. The key is to be returned at the end of the exhibition. The key is to be picked up and returned to Charles Adams Gallery (602 Ave. J). A CASP representative will be available to assist in monitoring the event and to answer questions as needed.

Doors

The 5&J Gallery has one storefront door and three, glass garage doors. We encourage you to open the garage doors when weather permits, as more visitors will be free to enter the space. When weather does not allow for this, the gallery does have central heat & air. We require that heating and cooling be turned off when garage doors are open. **Please be very careful/slow when raising or lowering garage doors as they can throw their chain or cable very easily.**

Alcohol Related Policies

BYOB is not allowed during First Friday Art Trail. During FFAT a cash bar is on the premises.
