Please select which date or dates work best for your exhibition. *The more dates you select the better your chances of getting a show.* If only one date will work for your schedule, please be aware that we may not be able to accommodate your show.

Please select dates by numbering priority (e.g. 1, 2, 3, etc.) beside the selected date. Select "N/A" for dates that will not work for your exhibition.

All proposals are reviewed and selected on artistic merit as well as space requirements. Feel free to attach any other information that you think will assist the committee in determining the 2022 calendar.

The 5&J Gallery gives artists the freedom to set up their work as artists intend for it to be exhibited. The 5&J Gallery supports freedom of artistic expression and does not censor artists' work.

Please be aware that exhibitors are responsible for installing, lighting, and uninstalling their exhibitions. Apply only if you are able to perform these duties within the established timeframe.
